Dear Mr. Vogels:

The Department of Transportation (Caltrans) received letters dated June 8; June 15; and June 22, 2015, from Peterson-Chase General Engineering Construction, Inc. (Peterson-Chase) alleging that Cal Valley Construction (Cal Valley) failed to demonstrate that 30 percent of the work would be self-performed and disagrees with Cal Valley's letter dated June 16, 2015. Peterson-Chase is also questioning Caltrans Award Status Summary listing because FBD Vanguard was listed as the current low bidder, but was found nonresponsive on a correspondence dated June 11, 2015.

Caltrans reviewed the bid documents submitted by Cal Valley and determined that Cal Valley is not performing 30 percent of the contract work. As for the Contract Awards Status listing, the information is currently updated to reflect Peterson-Chase.

Based on the above, Caltrans will proceed to award this contract to the lowest responsible bidder, provided that all requirements have been met.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
